

**Community Overdose Action Team Public Health Dayton-Montgomery County
Work Plan for Strategic Plan 2023-2026**

Priority # 1 : Treatment and Recovery					
Goal: Expand access to treatment and community support programs.					
Objectives	Measure	Action Steps	Timeframe	Person Responsible	Status
Objective 1.1: By, June 2026, develop and implement Recovery Housing standards for Montgomery County	Baseline: No standards exist Target: Standards developed	<ol style="list-style-type: none"> 1. Develop a committee that conducts research: <ol style="list-style-type: none"> A. Research existing recovery housing models different areas, as well as state and federal regulations related to recovery housing. B. Develop a written plan of what housing will be offered, target populations, supports and standards expected C. Engage with community members and stakeholders to develop positive partnerships and combat stigma, as well as to ensure inclusion and equity. D. Develop policy and procedures that support safe recovery houses, i.e., drug use, curfew, visitors, etc. 2. Advocate for statewide standards and regulations that promote the safety and effectiveness of recovery housing. <ol style="list-style-type: none"> A. Advocate for accountability standards that require locations operating under the guise of recovery housing to adhere to and if found in violation, to be shut down expeditiously B. Identify levels of care and minimum requirements for operators of each location 	Start: July 2023 End: June 2026	Treatment and Recovery Branch members	

SMART Objectives

Specific

Do you understand it? How will you know it is done?

Measurable

Can we measure it?

Actionable (aggressive, attainable)

Can it be done given the time frame and resources?

Relevant

Should it be done?

Time-bound

When will it be done?
