Incident Action Plan

Community Overdose Action Team (COAT)

Operational Period: July 1, 2017 to July 31, 2017

Community Overdose Action Team

Working Together To Combat Opioid Overdoses

Our goals are to stabilize the number of people dying from drug overdoses; then reduce the number of fatal overdoses.

BACKBONE SUPPORT APPROVAL

The following individuals have approved the Incident Action Plan (IAP) for this operational period on June 1, 2017.

Name	Organization
Barbara Marsh	**Public Health - Dayton & Montgomery County**
Jodi Long	**Montgomery County Alcohol Drug Addiction and Mental Health Services**
Brian Johns	**Dayton Police Department**
Tim Kernan	**Greater Dayton Area Hospital Association**
Vanessa Carter	**Montgomery County Common Pleas Court**
Rob Streck	**Montgomery County Sheriff's Office**
Joe Spitler	**Montgomery County Criminal Justice Council**
Larry Sexton	**Jefferson Township Fire/EMS**
Janine Howard	**Public Health - Dayton & Montgomery County**
Jeff Jordan	**Montgomery County Office of Emergency Management**

IAP Prepared by: Larry L. Cleek, Planning Chief

Date/Time: July 11, 2017

Situational Status Report
Community Overdose Action Team (COAT)

1. Situation to date

- Per the Montgomery County Coroner's Office, there have been **388** accidental overdose deaths through June 2017.
- Per the Montgomery County Coroner's Office, there were 349 accidental drug overdose deaths in 2016.
- Project DAWN distributed over 400 kits (highest ever) during the month of June.
- The Centers for Disease Control and Prevention will visit the Dayton area on July 11 and meet with the Backbone Support, as well as additional COAT members.
- City of Kettering produced "Facing the Epidemic Community Information Video". Kettering has also added information to their website; produced informational cards for the public; has begun a social media campaign, as well as providing community presentations.
- MSNBC presented a three part series on the Opioid epidemic with the focus on Montgomery County.
- National and international media networks are looking to do additional stories in our community in the very near future.
- Montgomery County was awarded $670,000 to expand access to treatment:
  - Medication Assisted Treatment Projects
  - Addictions Community Based Treatment Team
  - Ambulatory Detoxification Services
- OhioMHAS will fund statewide initiatives for:
  - PAX/Good Behavior Game & Botvin Life Skills expansion
  - Screening, Brief Intervention and Referral to Treatment (SBIRT)
  - Drug Take Back programs
  - Training on trauma informed care for first responders and healthcare professionals
  - Training for prescribers

2. Actions to date

- <u>Steering Committee</u>
  - Last meeting held June 2.
  - Will meet quarterly.
  - Provided feedback to the Backbone and Operations Branches.

- <u>Backbone Support</u>
  - Last meeting held June 1.
  - Will now meet once a month with the meeting occurring the first Tuesday of each month.

- Facilitated the June 2 Steering Committee meeting.
- Provided feedback on the Operations Branches.

- Operations Section
  - Met on June 22.
  - Branch leads provided a verbal update on progress to date, actions and shared information among members.
  - Discussed the need to annotate completed actions for individual branches.

- Operations Branches
  - Education and Information Branch – met June 12.
  - Harm Reduction Branch – met July 10.
  - Treatment and Recovery Branch – met June 9.
  - Collateral Response Branch – met June 19.
  - Criminal Justice Services Branch – met July 7.
  - Prescription Opioid Branch – met June 30.
  - Prevention Branch – met June 27.

- Planning Section
  - Generated the current IAP.
  - Attended Operations Branches meeting.

- Joint Information Center (JIC)
  - Added the monthly accidental overdose death totals to the Public Health website.
  - Created a new version for July of the COAT Update letter.
  - Worked on CNN's upcoming visit to produce a story regarding how the Opioid crisis is affecting families.

- Data Unit
  - Reviewing data numbers to provide on a monthly basis to the COAT.
  - Public Health and the Coroner will partner to provide weekly death data on Public Health's website.

3. Actions to be completed

a. Backbone Support
   - Next meeting is August 1.
   - Now meeting on a monthly basis.
   - Approval of IAP.

b. Operations Section
   - Operations will meet again with all Branches on July 31.
   - Gather all accomplishments and progress from branch co-leads.
   - Offer technical assistance to each of the Branches.

c. Planning Section
   - Gather information for next IAP.
   - Attend Backbone Support meeting to update on draft IAP.
   - Attend next Operations Branches meeting.

d. Data Unit
   - Continue to meet as needed and provide data upon request.
   - Generate drug overdose and death data on a monthly basis.

e. Joint Information Center
   - Working with upcoming requests from media both locally and nationally.

4. Issue(s)

Additional resource needs (Prevention Branch)

The Building Prevention with Faith prevention toolkit costs $400 for the "full package" which includes onsite training and on-going technical assistance to churches and $100 per toolkit (per church). Churches are currently being identified to implement the toolkit. Public Health will assist with funding the toolkit.

On-going Progress

Completed Actions During Operational Period

Completed Actions	Branch	Date Completed
Identified prevention initiatives, efforts and best practices for Prevention Branch members to build knowledge.	Prevention Branch	June 2017
Conducted "mini trainings" on prevention initiatives, efforts, and best practices to build the knowledge of Prevention Branch members.	Prevention Branch	June 2017
Coordinated educational opportunities to schools, a total of 3 sessions were conducted assisting them in meeting the HB 367 mandate using effective prevention messages.	Prevention Branch	June 2017
Completed site visit and identified location for Contemplation Housing. Recommendation has been made and submitted to Backbone Support.	Treatment and Recovery Branch	June 2017
Resource tablets (500) are available and ready to distribute to all the branches.	Treatment and Recovery	June 2017

Montgomery County Juvenile Court has implemented a Family Treatment Court to work with families involved with the child welfare system.	Treatment and Recovery	May 2017
Addiction Services at Public Health has implemented COR-12, an evidenced base practice program used by the Betty Ford Clinic for Medication Assisted Treatment	Treatment and Recovery	May 2017
The Ohio Pharmacy Board has approved Dayton Fire Department to be the central Narcan Repository for Montgomery County. The Fire/EMS Repository will equip Fire/EMS with kits to furnish at the scene of an overdose or at the fire stations	Response	June 2017

Washington Township Fire Department was highlighted in their efforts of helping individuals who are overdosing. The Fire Department was thanked by an individual who was provided Narcan from the department.	Information and Education	May 2017
.Project DAWN distributed 421 Narcan kits for June. The highest month to date.	Harm Reduction	June 2017
ADAMHS and Public Health developed assistance resource post cards for Fire/EMS departments to leave at the scene of an overdose. The GROW Teams are also distributing the cards. 3,000 post cards have been distributed	Information and Education	May 2017
City of Riverside is now participating in the GROW Team.	Information and Education	May 2017
Distributed 421 Project DAWN kits during the month of June.	Harm Reduction	June 2017

Montgomery County Sheriff's Office has hired a treatment coordinator within the jail	Criminal Justice	June 2017
Naphcare, the medical provider in the county jail, has hired a nurse practitioner to increase the ability to provide medication assisted treatment in the jail.	Criminal Justice	May 2017
Law Enforcement Committee of the Montgomery County Drug Free Coalition held blitzes in East Dayton and in Riverside.	Illegal Opioid Supply	May 2017

GOALS

The following goals listed below have been established and approved by the Backbone Support. These goals are in place for the duration of this collective impact approach.

1. Stabilize the number of people dying from drug overdoses.
2. Reduce the number of fatal overdoses.

OBJECTIVES

The following objectives listed below have been established by the Backbone Support. These objectives are in place to address concerns during this operational period.

- **Objective #1 -** Align goals, objectives and activities of existing coalitions and organizations working to address the opioid epidemic and determine gaps.
- **Objective #2** - Improve multi-agency communications through exchange of COAT-related information and situational awareness data.
- **Objective #3** - Expand and focus public information efforts.
- **Objective #4 -** Coordinate and improve opioid prevention and education activities.
- **Objective #5 -** Improve methods for response, intervention, treatment and recovery efforts.

Current Actions

1. Prescription Opioid Group

#	Current Actions (Objective #4)	Projected Start	Estimated Completion
1.	Continue to work with WSU to incorporate SBIRT training/experience into Medical Resident program.	Mar 2017	Aug 2017
2.	Working with Prevention Branch exploring how to get Generation Rx into doctors' offices.	May 2017	Aug 2017
3.	Introduced a program getting pharmacy interns into the hospitals to talk with patients upon being released.	May 2017	Aug 2017
4.	In the process of working with Accent Health to start airing messages here in Montgomery County	May 2017	Aug 2017

2. Illegal Opioid Supply Control Branch

#	Current Actions	Projected Start	Estimated Completion
1.	Dayton Police Department and Ohio State Highway Patrol is holding monthly directed patrols to target guns and narcotics.	Jan 2017	Dec 2017
2.	The HERO Operations has had several initiatives that have taken place in the last month. The cases are currently under investigation.	Jan 2017	Dec 2017
3.	Montgomery County Drug Free Coalition Law Enforcement Committee will hold community blitzes in Butler Township and Huber Heights. .	June 2017	Dec 2017

3. Treatment and Recovery Branch

#	Current Actions	Projected Start	Estimated Completion
1.	Continue to work with recovery clubs on seeking funding and working with treatment centers.	June 2017	July 2017
2.	Will attend and engage Miami Valley Long Term Care (MVLTC) Association to request permission to address them about client's who need skilled nursing care.	June 2017	July 2017

3.	Assist in development of protocol for Nursing Homes dealing with Opioid Use Disorder clients.	June 2017	July 2017
4.	Sub-committee is meeting and working with a consultant to develop a plan for a Crisis Stabilization/Detox. Unit.	Feb 2017	Dec 2017

4. Prevention Branch

#	**Planned Actions (Objective #2)**	Projected Start	Estimated Completion
1.	Partner with local law enforcement to identify gaps in capacity regarding the report of evidence of Rx medications at overdose scenes to the State Medical Board in order to identify prescribers who are over prescribing.	June 2017	Dec 2017
#	**Current Actions (Objective #4)**	Projected Start	Estimated Completion
1.	Implement Rx Medication Safety Campaign, to include: educate people about how to have a healthy relationship with their meds, that there is no safe way to get high off of meds, and that meds should never be shared with others; include Lock Your Meds campaign, lock box and medication disposal pouch distribution, and education to youth and senior citizens about securing/ monitoring/ disposing of meds. 2,000 medication disposal pouches have been distributed to Kroger pharmacies.	Feb 2017	July 2017
2.	Promote "KNOW! Parent Tips and Teachable Moments" to Montgomery County schools, contact a minimum of 20 schools by June 2017. 13 schools have been contacted as of July 5th.	Dec 2016	July 2017
3.	Develop alternatives to pain management campaign materials regarding alternative pain management techniques and mindful daily practices. Campaign materials will be placed in all Fourth Quarter Water Bills distributed through Montgomery County Environmental Services	May 2017	Oct 2017
4.	Coordinate educational opportunities about the HOPE curriculum with Montgomery County schools.	July 2017	Dec 2017

5.	Develop prevention services for children of addict's population/children attending Recovery Community meetings.	June 2017	Dec 2017
6.	Administer Community Readiness tool to a minimum of 20 area churches to assess their readiness in participating in the "Building Prevention with Faith" toolkit process.	Apr 2017	July 2017
7.	Coordinate the "Building Prevention with Faith" toolkit training.	July 2017	Oct 2017
#	**Planned Actions**	Projected Start	Estimated Completion
1.	Develop a public awareness campaign promoting patients advocating for their own health and wellness through an open dialogue with their prescribers.	Mar 2017	July 2017
2.	Collaborate with local drug stores and pharmacies to make disposal sites more accessible.	July 2017	Dec 2017
3.	Develop prevention services targeting the children of families who experience an overdose.	July 2017	Dec 2017
#	**Current Actions (Objective #5)**	Projected Start	Estimated Completion
1	Promote SBIRT screening in doctors' offices, schools, and other appropriate outlets. SBIRT (Screening, Brief Intervention, & Referral to Treatment) screens individual for alcohol and substance abuse, provides a brief intervention to them if they are in need of it, and refers them to treatment services if indicated.	June 2017	June 2018

5. Harm Reduction Branch

#	Current Actions (Objective #4)	Projected Start	Estimated Completion
1.	Identify 4-5 sites to keep stock of the Narcan postcards.	Feb 2017	Aug 2017
2.	Continue to distribute Project DAWN kits	Jan 2017	Aug 2017
3.	Contact the Re-entry program regarding Narcan training and to provide kits to their participants. Project DAWN has contacted the Re-Entry program for Narcan training.	Feb 2017	July 2017
#	**Planned Actions (Objective #4)**	Projected Start	Estimated Completion
1.	PHDMC is considering purchasing a mobile unit to support outreach services with the syringe services program.	June 2017	Dec 2017
#	**Planned Actions (Objective #5)**	Projected Start	Estimated Completion
1.	Initiate advertisement of syringe services programs.	Mar 2017	July 2017
#	**Current Actions (Objective #6)**	Projected Start	Estimated Completion
1.	Continue to contact emergency personnel regarding overdose education and the distribution of Narcan kits.	Mar 2017	Sep 2017

6. Education and Information Branch

#	Current Actions (Objective #1)	Projected Start	Estimated Completion
1.	Identify any faith based/spiritual community Resources. A first draft has been completed of churches that are offering recovery support and cross referenced with crime/drug hot spot data from the county. Need to add all community resources available in addition to recovery support.	Mar 2017	June 2017

2.	Schedule training for Faith Based Prevention Toolkit with identified faith based leaders and Andrea Hoff (ADAMHS)-work with Education/Information branch and other branches under COAT. We met two times in May with faith based leaders, ADAMHS, members of the Education/Information and Prevention branch. We will be identifying five churches based on the Faith Based list put together by Marybeth and other faith based leaders to participate in the Prevention First training.	Apr 2017	June 2017
#	**Current Actions (Objective #3)**	Projected Start	Estimated Completion
1.	Online website and resource page for community to visit to see available resources and education provided to the community on Opiate addictions □ Develop an app to access live information □ Presented at January Operation Branch meeting and Jodi/Barb will take the lead on this.	Dec 2016	July 2017
2.	Met with Indigo Media to discuss Public Awareness Campaign on hope and recovery to the public and first responders. Results were to identify speakers to do the following: a. Participate in a video thanking first responders b. Participate by writing a letter to first responders c. Participate in a Speaker's Bureau to speak as events arise, including roll calls for first responders	June 2017	Nov 2017
#	**Planned Actions (Objective #3)**	Projected Start	Estimated Completion
1.	Report out GROW numbers and coordinate GROW outreach over the next eight months.	Jan 2017	Dec 2017
2.	Assign SOAT students to identify local resources (inventory) for children and their families dealing with Addiction.	Sep 2017	Dec 2017
#	**Current Actions (Objective #4)**	Projected Start	Estimated Completion
1.	Expanding Getting Recovery Options Working (GROW) over a 12 month period.	Dec 2016	Dec 2017
2.	Expanding training opportunities to include Operations Street Smart Training and Addiction is a Disease over the next twelve months.	Mar 2017	Dec 2017

7. Collateral Response Branch

#	Current Actions	Projected Start	Estimated Completion
1.	Dayton Fire/EMS will become the Narcan Repository for Montgomery County. Fire/EMS districts will have the ability to furnish Narcan kits within fire stations or on scene of an overdose.	May 2017	July 2017
2.	Implement Standard Operation Protocols for Fire/EMS to furnish Narcan.	Apr 2017	July 2017

8. Criminal Justice Services Branch

#	Current Actions (Objective #1)	Projected Start	Estimated Completion
1.	Determine the alignment of Samaritan Behavioral Health Inc. services within the jail with NaphCare services over the next quarter.	Apr 2017	July 2017
2.	Continuing Project DAWN trainings two times a month in county jail. Juvenile Court has expressed an interest in the Project DAWN trainings.	Apr 2017	July 2017
#	**Planned Actions**	Projected Start	Estimated Completion
1.	The Ohio Revised Code was amended that under certain circumstance an individual who has overdosed can receive a substance abuse assessment within 30 days and can be immune from prosecution from any felony drug possession charge. Would like to market these changes more effectively through the COAT.	May 2017	Aug 2017
#	**Current Actions (Objective #2)**	Projected Start	Estimated Completion
1.	Discuss with data committee the need for real-time data from the Coroner's Office and more information on those that have been affected.	Mar 2017	July 2017
#	**Current Actions (Objective #5)**	Projected Start	Estimated Completion
1.	Looking at partnering with Key Vision Transformational TV. This would allow televisions within the county jail, other institutions and organizations to feed specific educational programming into the facilities.	Apr 2017	Aug 2017

Glossary of Program Definitions:

- Prevention First - is a nonprofit 501(c)(3) dedicated to preventing teen drug use before it starts. Since 1980, Prevention First has provided training, technical assistance and resource materials to thousands of schools, community groups, parents and youth in:

    - Developing strategic plans to address local substance abuse prevention needs
    - Selecting and implementing the best programs, curricula and strategies designed to promote social and emotional health and prevent substance abuse
    - Developing and implementing media and communication campaigns designed to educate the public about how it can help prevent substance abuse

- Building **Prevention with Faith Toolkit** – This toolkit and training package is an organized collection of material and resources that prepare a faith community to provide effective substance abuse prevention activities within the context of their faith tradition and culture. This toolkit and training is rich with information to help individuals become comfortable with addressing substance abuse prevention in the faith community.
- **G.A.P. Network of advocacy groups** and individuals formed in response to a public outcry against prescription medication abuse and the heroin epidemic. Members are family engagement advocacy groups and individuals who provide a voice for the thousands of Ohio individuals and families impacted by substance use - especially the heroin/opioid epidemic. The G.A.P. Network can provide information, education, advocacy, networking, training, and support to make local efforts more effective.
- **Generation Rx** - The mission of Generation Rx is to educate people of all ages about the potential dangers of misusing prescription medications. Generation Rx materials were developed to enhance medication safety among our youth, college students, other adults in our communities, seniors, workplace, and patients.
- **HB 367 Passed in Ohio** – Requires school districts to select a health curriculum that includes instruction on the dangers of prescription opioid abuse. The Drug Free Coalition Prevention Education Committee and The Montgomery County Prevention Coalition have aligned to educate superintendents, principals, and other school personnel in the county school systems on HB367 and provide opioid prevention education to educators so they may incorporate the information into their school curriculum. Wright State University has received a Substance Abuse & Mental Health Services Administration (SAMHSA) grant to create and implement substance abuse prevention curriculum that will assist schools in meeting the HB 367 mandate, called the HOPE curriculum, with an anticipated release date of June 2017.
- **Know! Parent Tips and Teachable Moments** - The Know! Program was developed by Drug Free Action Alliance, a statewide prevention agency, and is a tool used to communicate simple, easy-to-comprehend messages to children aged 11 to 13 about staying free from alcohol, tobacco, and other drugs. Each month, parents receive two KNOW!

Parent Tips, which provide current facts related to substance use, healthy youth development, and other related issues, as well as concrete action steps they can take to help prevent their child from using. Similarly, teachers receive the Know! Teachable Moments prevention tips twice per month, which provide information to help spread the message to students, parents, caregivers, and the overall community about how to live healthy, drug-free lives.

- **pHARMING Effects** - This peer-to-peer presentation was developed by Youth to Youth teens and is designed to be delivered by trained drug-free high school teens along with an adult facilitator. The presentation addresses the misuse/abuse of prescription drugs and how it is affecting youth today.
- **Rx Medication Safety Campaign** - ADAMHS has entered into a contract with Goodwill Easter Seals Miami Valley to facilitate this campaign. The campaign increases community awareness in order to decrease the accessibility and availability of prescription medications in Montgomery County. Messages include proper storage, monitoring, and disposing of medications to decrease the likelihood of those medications being used for abuse purposes. It also includes ways in which to have a healthy relationship with medications, alternative to pills for addressing pain, and emphasis that there is no safe way to get high using prescription medications. A total of 250 lock boxes will be distributed to low income individuals in addition to 5,000 medication deactivation disposal pouches. This campaign is based on the national Generation Rx model.
- **SBIRT** – Screening, Brief Intervention, and Referral to Treatment (SBIRT) is a comprehensive, integrated, public health approach to the delivery of early intervention and treatment services for persons with substance use disorders, as well as those who are at risk of developing these disorders. Primary care centers, hospital emergency rooms, trauma centers, and other community settings provide opportunities for early intervention with at-risk substance users before more severe consequences occur.

Progress: November 2016 to May 2017 (This will be updated quarterly.)

On-going Progress	Branch	Last Updated
Community Coalitions goals and objectives continue to merge into the various branches of the COAT to align resources and efforts.	All	May 2017
40 plus stakeholders completed the Sequential Intercept Mapping training on February 2 and 3. The following priorities were identified: Access to services and insufficient services; medical detoxification; jail re-entry linkage; transitional housing for women and residential recovery housing. The Treatment and Recovery Branch is taking the lead on Access to Services and Insufficient Services, and Transitional Housing for Women and Residential Recovery priorities. An RFP was issued by ADAMHS for an expansion for residential treatment services. There were no applicants. Miami Valley Hospital has partnered with ADAMHS to open transitional housing for women. The Criminal Justice Branch is continuing to address Jail Re-entry Linkage through increasing services from NAPHCARE and Samaritan Behavioral Health who offers services within the jail. Project DAWN is also providing a one-time per month naloxone training at the county jail for inmates. In the first month, 70 kits were distributed. MonDay and the STOP Program will also be holding trainings.	All	May 2017 Completed
From January 1, 2017 to May 11, 2017, the Narcan Education and Distribution intervention of the Syringe Services Program has distributed 572 Narcan kits. Of the 572 kits, 156 kits were re-fills.	Harm Reduction	March 2017
There are 20 participating law enforcement departments have begun carrying naloxone, plus 5 other first responder organizations. These include the following: **Law Enforcement Depts.**: Butler Township, Carlisle, Centerville, Clayton, Dayton, Germantown, German Township, Huber Heights, Jackson Township, Metro Parks, Miamisburg, Miami Township, Montgomery County	Harm Reduction	February 2017

Sheriff's Office, Riverside, Sinclair, Vandalia, West Carrollton, State Highway Patrol (Montgomery County Officers), and Dayton Airport Police. **Other First Responders:** Dayton DEA Office, Juvenile Justice Center, Juvenile Court Probation, Miami Valley Fire District and BCI MC/ SWOH.		
Samaritan Behavioral Health Project DAWN • Number of kits distributed 2770 • Number of persons trained: 2815 • Number of reversals (estimated based upon refill reporting): 190	Harm Reduction	May 2017
Samaritan Behavioral Health Project DAWN is now providing Narcan training in the Montgomery County Jail two times per month. The Montgomery County Jail has distributed over 70 kits to inmates leaving the jail. MonDay Program is also providing kits upon release.	Harm Reduction and Criminal Justice	May 2017
Project DAWN has distributed Narcan postcards at the following locations: Montgomery County Jail – 500; Project GROW – 250; MonDay Correctional – 250 (Will be mailed out to families in Montgomery County). Also, Dr. Morris Brown Suboxone clinic will start distributing the Narcan postcards.	Harm Reduction and Criminal Justice	May 2017
Public Health, CarePoint Program has opened two new syringe service locations in West Dayton in January 2017 at Mt. Olive Church and Vogel Health Center. A mobile unit is planned for this year.	Harm Reduction	May 2017
Public Health CarePoint Program has served a total of 1590 individuals from January 1, 2017. Total numbers January 1, 2017 to May 2017: • Syringes Exchanged 39,145 • Condoms Distributed 4,882 • Lube Distributed 1,363 • Alcohol Pads Distributed 11,222 • Cotton Balls Distributed 1,161 • Ointment Distributed 5,012 • Cookers Distributed 4,919 • Tourniquets Distributed 1,847 • Total Drug Treatment Referrals 47	Harm Reduction	May 2017

Total Resource Referrals 19		
NOVA Behavioral Health expanded withdrawal beds to 12 as of December, 2016. Nova has served 437 individuals since the expansion.	Treatment and Recovery	April 2017
Mental Health First Aid trained 946 people in 2016. An additional 277 people have been trained in 2017	Treatment and Recovery	April 2017
19% of all uniformed officers in Montgomery County have attended the Crisis Intervention Team (CIT) Academy sponsored and trained by ADAMHS. Fourteen out of 30 law enforcement departments are now participating.	Treatment and Recovery	April 2017
ADAMHS hosted one Screening, Brief Intervention and Referral to Treatment (SBIRT) Train the Trainer program to begin to create capacity to reach out to primary care offices to implement SBIRT in their practice.	Treatment and Recovery	April 2017
Trauma Informed Care training was held on April 19, 2017 with 26 participants	Treatment and Recovery	May 2017
ADAMHS has contracted with an additional 5 recovery houses and is providing subsidies via the OHMHAS Access to Recovery Grant	Treatment and Recovery	April 2017
ADAMHS has received a capital grant to purchase/renovate up to 16 apartments for women who are served by the Promise to Hope program.	Treatment and Recovery	February 2017
Samaritan Crisis Care: Opioid Interval Crisis Services: Has expanded crisis services to serve people who have experienced a naloxone rescue and have been medically cleared at a local hospital emergency room (ER).	Treatment and Recovery	December 2016
Samaritan Behavioral Health Inc. Opioid Intervention Services (OIS) Program (since 8/16): • Total numbers of ER/Hospital contacts: 242 • Total number who accepted a referral to OIS: 121 • **50% were referred or went into some type of treatment!**	Treatment and Recovery	April 2017
Samaritan Behavioral Health Inc. (since 8/16): Withdrawal Management Program (individuals can be included in multiple categories; totals do not equal 305) • Number of clients seen and processed: 305	Treatment and Recovery	April 2017

Number of clients who successfully completed and received 1st Vivitrol inject: 95		
Samaritan Behavioral Health, Inc. is operating Ambulatory Withdrawal Management (New). This is an outpatient withdrawal management program where a person can be transitioned from active opiate use to Vivitrol injection in 10 days.	Treatment and Recovery	February 2017
Goodwill Easter Seals has conducted 3 Certified Peer Supporter Trainings, 12 of 14 individuals are certified as Peer Supporters.	Treatment and Recovery	April 2017
ADAMHS provides levy dollars and ATR Grant subsidies 33 beds for women and 38 beds for men.	Treatment and Recovery	May 2017
Through collaboration with ADAMHS and Wright State University, PAX Good Behavior Game has expanded to Valley View Primary School. PAX Good Behavior Game has now been implemented in 7 schools.	Prevention	February 2017
All superintendents in Montgomery County have received training on HB367 from members of the Montgomery County Drug Free Coalition and the COAT Prevention Branch, requiring school districts to provide opioid education. Wright State University has developed the HOPE Curriculum to assist schools in meeting the mandate. Four schools have been trained to assist them in meeting the HB367 mandate using effective prevention messages. The HOPE Curriculum will be implemented in August 2017.	Prevention	May 2017 Development is completed Launch date: August 2017
Four trainers have been trained in Kernels for Life Prevention Program with the responsibility of expanding the model throughout Montgomery County. Six trainings have been completed. Miami Valley Recreation Council was trained in the model. 100 individuals will be trained. Additionally, 47 individuals were trained so far.	Prevention	February 2017
