Incident Action Plan

Community Overdose Action Team (COAT)

Operational Period: August 1, 2017 to August 31, 2017

Community Overdose Action Team

Working Together To Combat Opioid Overdoses

Our goals are to stabilize the number of people dying from drug overdoses; then reduce the number of fatal overdoses.

BACKBONE SUPPORT APPROVAL

The following individuals have approved the Incident Action Plan (IAP) for this operational period on August 1, 2017.

Name	Organization
Barbara Marsh	**Public Health - Dayton & Montgomery County**
Jodi Long	**Montgomery County Alcohol Drug Addiction and Mental Health Services**
Brian Johns	**Dayton Police Department**
Tim Kernan	**Greater Dayton Area Hospital Association**
Vanessa Carter	**Montgomery County Common Pleas Court**
Rob Streck	**Montgomery County Sheriff's Office**
Joe Spitler	**Montgomery County Criminal Justice Council**
Larry Sexton	**Jefferson Township Fire/EMS**
Janine Howard	**Public Health - Dayton & Montgomery County**
Jeff Jordan	**Montgomery County Office of Emergency Management**

IAP Prepared by: Larry L. Cleek, Planning Chief

Date/Time: July 31, 2017

Situational Status Report
Community Overdose Action Team (COAT)

1. Situation to date

- Per the Montgomery County Coroner's Office, there have been **420** accidental overdose deaths through July 27, 2017.
- Public Health – Dayton & Montgomery County has partnered with the Montgomery County Coroner's Office to publish the Accidental Overdose Death totals on both agencies' websites. This information is updated every Friday.
- The Centers for Disease Control and Prevention (CDC) visited Dayton on July 11 and met with the Backbone Support, the Behavioral Health Advisory Group for the Community Health Improvement Plan, as well as additional COAT members. CDC is seeking to partner with Montgomery County on a pilot project.
- The Addiction Policy Forum CEO Jessica Hulsey Nickel visited Dayton on July 24 to discuss possible technical assistance that the Centers for Disease Control and Prevention will visit the Dayton area on July 11 and meet with the Backbone Support, as well as additional COAT members.
- DEA will be launching the 360 Degree Strategy in Dayton. This will bring $500,000.00 to provide education, information, awareness around the opioid epidemic.
- Dayton Police Department has received a grant through the Office of Criminal Justice Services to assist with initiatives to improve relationships between communities and law enforcement.
- Plans are underway to expand Nicholas Residential Treatment Center for youth from 22 to 40 beds, which will expand residential drug treatment for children ages 11-17.
- CNN completed filming in Dayton and Showtime will be riding with Dayton EMS on runs in the community.
- National and international media networks are looking to do additional stories in our community in the very near future.

2. Actions to date

- <u>Steering Committee</u>
  - Last meeting held June 2.
  - Will meet quarterly.
  - Provided feedback to the Backbone and Operations Branches.

- <u>Backbone Support</u>
  - Last meeting held August 1.
  - Met with CDC on July 11.
  - Provided feedback on the Operations Branches.

- Operations Section
  - Met on July 31.
  - Branch leads provided a verbal update on progress to date, actions and shared information among members.
  - Discussed the need to annotate completed actions for individual branches.

- Operations Branches
  - Education and Information Branch – met July 17.
  - Harm Reduction Branch – met July 10.
  - Treatment and Recovery Branch – met July 13.
  - Collateral Response Branch – meeting August 3.
  - Criminal Justice Services Branch – met July 7.
  - Prescription Opioid Branch – met July 28.
  - Prevention Branch – met July 25.

- Planning Section
  - Generated the current IAP.
  - Attended Operations Branches meeting.

- Joint Information Center (JIC)
  - Added the monthly accidental overdose death totals to the Public Health website.
  - Created a new version for July of the COAT Update letter.
  - Worked on CNN's upcoming visit to produce a story regarding how the Opioid crisis is affecting families.

- Data Unit
  - Reviewing data numbers to provide on a monthly basis to the COAT.
  - Public Health and the Coroner will partner to provide weekly death data on Public Health's website.

3. Actions to be completed

a. Backbone Support
  - Next meeting is September 5.
  - Now meeting on a monthly basis.
  - Approval of IAP.

b. Operations Section
  - Operations will meet again with all Branches on August 29.
  - Gather all accomplishments and progress from branch co-leads.
  - Offer technical assistance to each of the Branches.

c. Planning Section
  - Gather information for next IAP.

- Attend Backbone Support meeting to update on draft IAP.
- Attend next Operations Branches meeting.

d. Data Unit
- Continue to meet as needed and provide data upon request.
- Generate drug overdose and death data on a monthly basis.

e. Joint Information Center
- Working with upcoming requests from media both locally and nationally.

4. Issue(s)

On-going Progress

Completed Actions During Operational Period

Completed Actions	Branch	Date Completed
Dayton Fire/EMS has become the Narcan Repository for Montgomery County. Fire/EMS districts have the ability to furnish Narcan kits within fire stations or on scene of an overdose.	Collateral Response Branch	July 2017
Standard Operation Protocols for Fire/EMS to furnish Narcan are now available.	Collateral Response Branch	July 2017
The Ohio Revised Code was amended that under certain circumstance an individual who has overdosed can receive a substance abuse assessment within 30 days and can be immune from prosecution from any felony drug possession charge.	Criminal Justices Services Branch	July 2017
ADAMHS has increased to 2 FTE's for SBHI services to provide assessment services in the county jail.	Criminal Justices Services Branch	July 2017
Completed site visit with Gateway Shelter concerning contemplation and made recommendation to Backbone Support to develop a Recovery Center.	Treatment & Recovery Branch	July 2017
Completed 8 town-hall meetings discussing opioid crisis.	Illegal Opioid Supply Control Branch	July 2017

GOALS

The following goals listed below have been established and approved by the Backbone Support. These goals are in place for the duration of this collective impact approach.

1. Stabilize the number of people dying from drug overdoses.
2. Reduce the number of fatal overdoses.

OBJECTIVES

The following objectives listed below have been established by the Backbone Support. These objectives are in place to address concerns during this operational period.

- **Objective #1 -** Align goals, objectives and activities of existing coalitions and organizations working to address the opioid epidemic and determine gaps.
- **Objective #2** - Improve multi-agency communications through exchange of COAT-related information and situational awareness data.
- **Objective #3** - Expand and focus public information efforts.
- **Objective #4 -** Coordinate and improve opioid prevention and education activities.
- **Objective #5 -** Improve methods for response, intervention, treatment and recovery efforts.

Current Actions

1. Prescription Opioid Group

#	Current Actions (Objective #4)	Projected Start	Estimated Completion
1.	Continue to work with WSU to incorporate SBIRT training/experience into Medical Resident program.	Mar 2017	Aug 2017
2.	Working with Prevention Branch exploring how to get Generation Rx into doctors' offices.	May 2017	Aug 2017
3.	Introduced a program getting pharmacy interns into the hospitals to talk with patients upon being released.	May 2017	Aug 2017
4.	In the process of working with Accent Health to start airing messages here in Montgomery County	May 2017	Aug 2017

2. Illegal Opioid Supply Control Branch

#	Current Actions	Projected Start	Estimated Completion
1.	Completed 8 town-hall meetings on opioid crisis and will continue in the coming months.	July 2017	Oct 2017
1.	Dayton Police Department and Ohio State Highway Patrol is holding monthly directed patrols to target guns and narcotics.	Jan 2017	Dec 2017
2.	The HERO Operations has had several initiatives that have taken place in the last month. The cases are currently under investigation.	Jan 2017	Dec 2017
3.	Montgomery County Drug Free Coalition Law Enforcement Committee will hold community blitzes in Butler Township and Huber Heights. .	June 2017	Dec 2017

3. Treatment and Recovery Branch

#	Current Actions	Projected Start	Estimated Completion
1.	Continue to work with recovery clubs on seeking funding and working with treatment centers.	June 2017	Aug 2017

2.	Will attend and engage Miami Valley Long Term Care (MVLTC) Association to request permission to address them about client's who need skilled nursing care.	June 2017	Aug 2017
3.	Assist in development of protocol for Nursing Homes dealing with Opioid Use Disorder clients.	June 2017	Aug 2017
4.	Sub-committee is meeting and working with a consultant to develop a plan for a Crisis Stabilization/Detox. Unit.	Feb 2017	Dec 2017

4. Prevention Branch

#	**Planned Actions (Objective #2)**	Projected Start	Estimated Completion
1.	Partner with local law enforcement to identify gaps in capacity regarding the report of evidence of Rx medications at overdose scenes to the State Medical Board in order to identify prescribers who are over prescribing.	June 2017	Dec 2017
#	**Current Actions (Objective #4)**	Projected Start	Estimated Completion
1.	Implement Rx Medication Safety Campaign, to include: educate people about how to have a healthy relationship with their meds, that there is no safe way to get high off of meds, and that meds should never be shared with others; include Lock Your Meds campaign, lock box and medication disposal pouch distribution, and education to youth and senior citizens about securing/ monitoring/ disposing of meds. 2,000 medication disposal pouches have been distributed to Kroger pharmacies.	Feb 2017	Aug 2017
2.	Promote "KNOW! Parent Tips and Teachable Moments" to Montgomery County schools, contact a minimum of 20 schools by June 2017. 13 schools have been contacted as of July 5th.	Dec 2016	July 2017
3.	Develop alternatives to pain management campaign materials regarding alternative pain management techniques and mindful daily practices. Campaign materials will be placed in all Fourth Quarter Water Bills distributed through Montgomery County Environmental Services	May 2017	Oct 2017

4.	Coordinate educational opportunities about the HOPE curriculum with Montgomery County schools.	July 2017	Dec 2017
5.	Develop prevention services for children of addict's population/children attending Recovery Community meetings.	June 2017	Dec 2017
6.	Administer Community Readiness tool to a minimum of 20 area churches to assess their readiness in participating in the "Building Prevention with Faith" toolkit process.	Apr 2017	Aug 2017
7.	Coordinate the "Building Prevention with Faith" toolkit training.	July 2017	Oct 2017
#	**Planned Actions**	Projected Start	Estimated Completion
1.	Develop a public awareness campaign promoting patients advocating for their own health and wellness through an open dialogue with their prescribers.	Mar 2017	July 2017
2.	Collaborate with local drug stores and pharmacies to make disposal sites more accessible.	July 2017	Dec 2017
3.	Develop prevention services targeting the children of families who experience an overdose.	July 2017	Dec 2017
#	**Current Actions (Objective #5)**	Projected Start	Estimated Completion
1	Promote SBIRT screening in doctors' offices, schools, and other appropriate outlets. SBIRT (Screening, Brief Intervention, & Referral to Treatment) screens individual for alcohol and substance abuse, provides a brief intervention to them if they are in need of it, and refers them to treatment services if indicated.	June 2017	June 2018

5. Harm Reduction Branch

#	**Current Actions (Objective #4)**	Projected Start	Estimated Completion

1.	Designing cards with information about different harm reduction techniques and practices.	Jul 2017	Sep 2017
2.	Continue to distribute Project DAWN kits	Jan 2017	Aug 2017
#	**Planned Actions (Objective #4)**	Projected Start	Estimated Completion
1.	PHDMC is considering purchasing a mobile unit to support outreach services with the syringe services program.	Aug 2017	Nov 2017
2.	Develop protocols on training private non-profit organizations and government agencies on Narcan kits.	Aug 2017	Dec 2017
3.	Furnishing non-profit organizations and government agencies with Narcan kits.	Aug 2017	Dec 2017

6. Education and Information Branch

#	**Current Actions (Objective #1)**	Projected Start	Estimated Completion
1.	Identify any faith based/spiritual community Resources. A first draft has been completed of churches that are offering recovery support and cross referenced with crime/drug hot spot data from the county. Need to add all community resources available in addition to recovery support.	Mar 2017	Aug 2017
2.	Schedule training for Faith Based Prevention Toolkit with identified faith based leaders and Andrea Hoff (ADAMHS)-work with Education/Information branch and other branches under COAT.	Apr 2017	Aug 2017
#	**Planned Actions (Objective #1)**	Projected Start	Estimated Completion
1.	Examine the possibility of being a support system for all the other branches regarding education and information.	Aug 2017	Oct 2017
#	**Current Actions (Objective #3)**	Projected Start	Estimated Completion
1.	Met with Indigo Media to discuss Public Awareness Campaign on hope and recovery to the public and first responders. Results were to identify speakers to do the following: a. Participate in a video thanking first responders b. Participate by writing a letter to first responders c. Participate in a Speaker's Bureau to speak	June 2017	Nov 2017

	as events arise, including roll calls for first responders		
#	**Current Actions (Objective #4)**	Projected Start	Estimated Completion
1.	Expanding Getting Recovery Options Working (GROW) over a 12 month period.	Dec 2016	Dec 2017
2.	Expanding training opportunities to include Operations Street Smart Training and Addiction is a Disease over the next twelve months.	Mar 2017	Dec 2017
#	**Planned Actions (Objective #4)**	Projected Start	Estimated Completion
1.	Connect ongoing community events with COAT educational materials	Aug 2017	Dec 2017

7. Collateral Response Branch

#	**Current Actions**	Projected Start	Estimated Completion
1.	Dayton Fire/EMS developing training material to go along with the Standard Operating Procedure for furnishing Narcan kits.	July 2017	Aug 2017

8. Criminal Justice Services Branch

#	**Current Actions (Objective #1)**	Projected Start	Estimated Completion
1.	Aligning Samaritan Behavioral Health Inc. services within the jail with NaphCare services over the next quarter.	Apr 2017	Aug 2017
2.	Continuing Project DAWN trainings two times a month in county jail. Juvenile Court has expressed an interest in the Project DAWN trainings.	Apr 2017	July 2017
#	**Current Actions (Objective #2)**	Projected Start	Estimated Completion
1.	Discuss with data committee the need for real-time data from the Coroner's Office and more information on those that have been affected.	Mar 2017	Aug 2017
#	**Current Actions (Objective #5)**	Projected Start	Estimated Completion
1.	Key Vision proposal on Transformational TV was submitted. This would allow televisions within the county jail, other institutions and organizations to feed specific educational programming into the facilities.	Apr 2017	Aug 2017

COAT Data Unit Available Data

Items listed below are specific data reports available through the Data Unit.

Deaths by Cause of Death	**Monthly (preliminary)**	**Ohio, county, city, township, zip code, census tract**
Deaths by Cause of Death	Monthly (preliminary)	Ohio, county, city, township, zip code, census tract

Weekly Overdose by location	Weekly	Regional Dispatch Center
Daily Overdose Bulletin	Daily	Regional Dispatch Center
Daily Drug Arrest	Daily	Montgomery County Jail
Jail Incarceration Report	Daily	County, All agencies in the County

Glossary of Program Definitions:

- Prevention First - is a nonprofit 501(c)(3) dedicated to preventing teen drug use before it starts. Since 1980, Prevention First has provided training, technical assistance and resource materials to thousands of schools, community groups, parents and youth in:

    - Developing strategic plans to address local substance abuse prevention needs
    - Selecting and implementing the best programs, curricula and strategies designed to promote social and emotional health and prevent substance abuse
    - Developing and implementing media and communication campaigns designed to educate the public about how it can help prevent substance abuse

- Building **Prevention with Faith Toolkit** – This toolkit and training package is an organized collection of material and resources that prepare a faith community to provide effective substance abuse prevention activities within the context of their faith tradition and culture. This toolkit and training is rich with information to help individuals become comfortable with addressing substance abuse prevention in the faith community.
- **G.A.P. Network of advocacy groups** and individuals formed in response to a public outcry against prescription medication abuse and the heroin epidemic. Members are family engagement advocacy groups and individuals who provide a voice for the thousands of Ohio individuals and families impacted by substance use - especially the heroin/opioid epidemic. The G.A.P. Network can provide information, education, advocacy, networking, training, and support to make local efforts more effective.
- **Generation Rx** - The mission of Generation Rx is to educate people of all ages about the potential dangers of misusing prescription medications. Generation Rx materials were developed to enhance medication safety among our youth, college students, other adults in our communities, seniors, workplace, and patients.
- **HB 367 Passed in Ohio** – Requires school districts to select a health curriculum that includes instruction on the dangers of prescription opioid abuse. The Drug Free Coalition Prevention Education Committee and The Montgomery County Prevention Coalition have aligned to educate superintendents, principals, and other school personnel in the county school systems on HB367 and provide opioid prevention education to educators so they may incorporate the information into their school curriculum. Wright State University has received a Substance Abuse & Mental Health Services Administration (SAMHSA) grant to create and implement substance abuse prevention curriculum that will assist schools in meeting the HB 367 mandate, called the HOPE curriculum, with an anticipated release date of June 2017.
- **Know! Parent Tips and Teachable Moments** - The Know! Program was developed by Drug Free Action Alliance, a statewide prevention agency, and is a tool used to communicate simple, easy-to-comprehend messages to children aged 11 to 13 about staying

free from alcohol, tobacco, and other drugs. Each month, parents receive two KNOW! Parent Tips, which provide current facts related to substance use, healthy youth development, and other related issues, as well as concrete action steps they can take to help prevent their child from using. Similarly, teachers receive the Know! Teachable Moments prevention tips twice per month, which provide information to help spread the message to students, parents, caregivers, and the overall community about how to live healthy, drug-free lives.

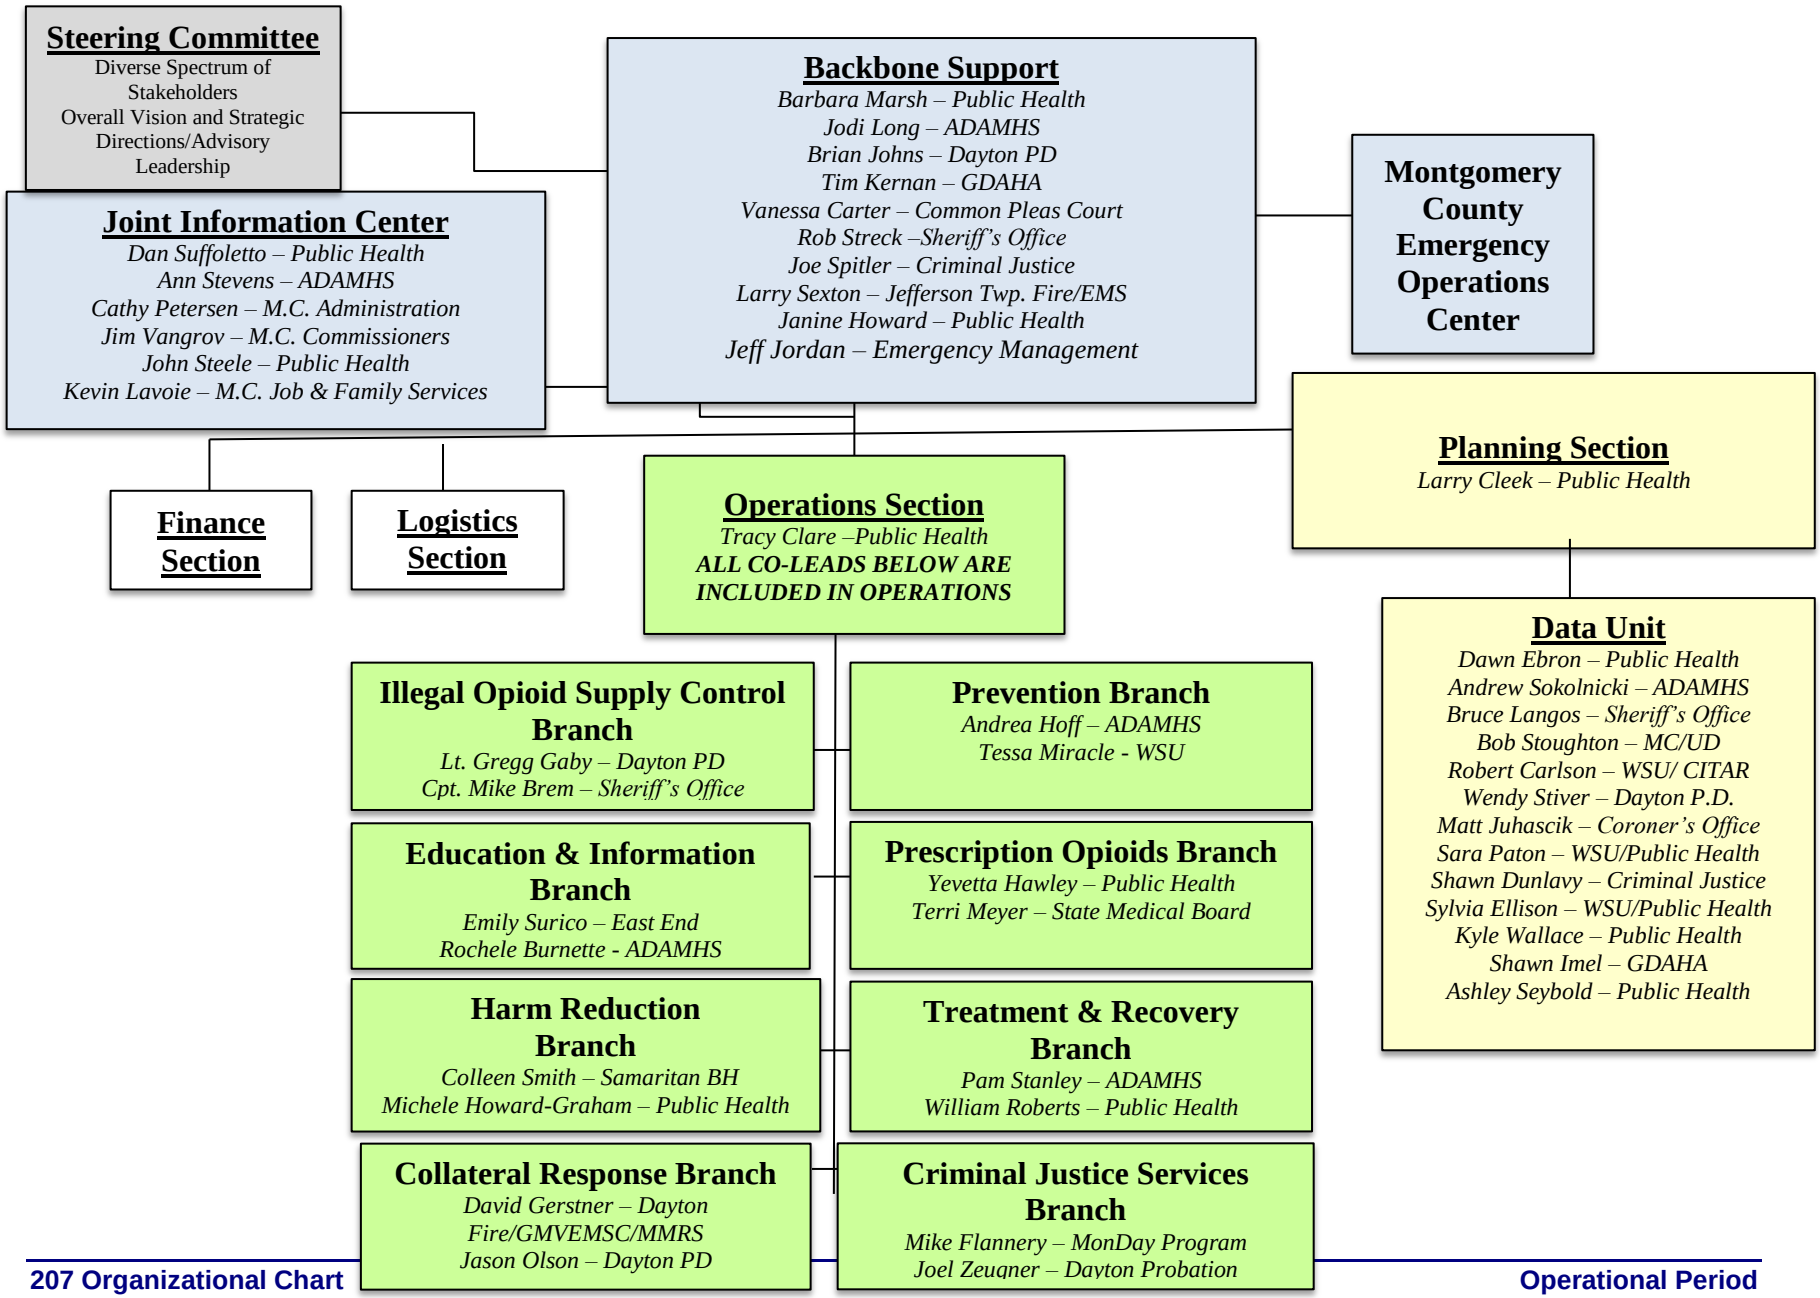
- **pHARMING Effects** - This peer-to-peer presentation was developed by Youth to Youth teens and is designed to be delivered by trained drug-free high school teens along with an adult facilitator. The presentation addresses the misuse/abuse of prescription drugs and how it is affecting youth today.
- **Rx Medication Safety Campaign** - ADAMHS has entered into a contract with Goodwill Easter Seals Miami Valley to facilitate this campaign. The campaign increases community awareness in order to decrease the accessibility and availability of prescription medications in Montgomery County. Messages include proper storage, monitoring, and disposing of medications to decrease the likelihood of those medications being used for abuse purposes. It also includes ways in which to have a healthy relationship with medications, alternative to pills for addressing pain, and emphasis that there is no safe way to get high using prescription medications. A total of 250 lock boxes will be distributed to low income individuals in addition to 5,000 medication deactivation disposal pouches. This campaign is based on the national Generation Rx model.
- **SBIRT** – Screening, Brief Intervention, and Referral to Treatment (SBIRT) is a comprehensive, integrated, public health approach to the delivery of early intervention and treatment services for persons with substance use disorders, as well as those who are at risk of developing these disorders. Primary care centers, hospital emergency rooms, trauma centers, and other community settings provide opportunities for early intervention with at-risk substance users before more severe consequences occur.

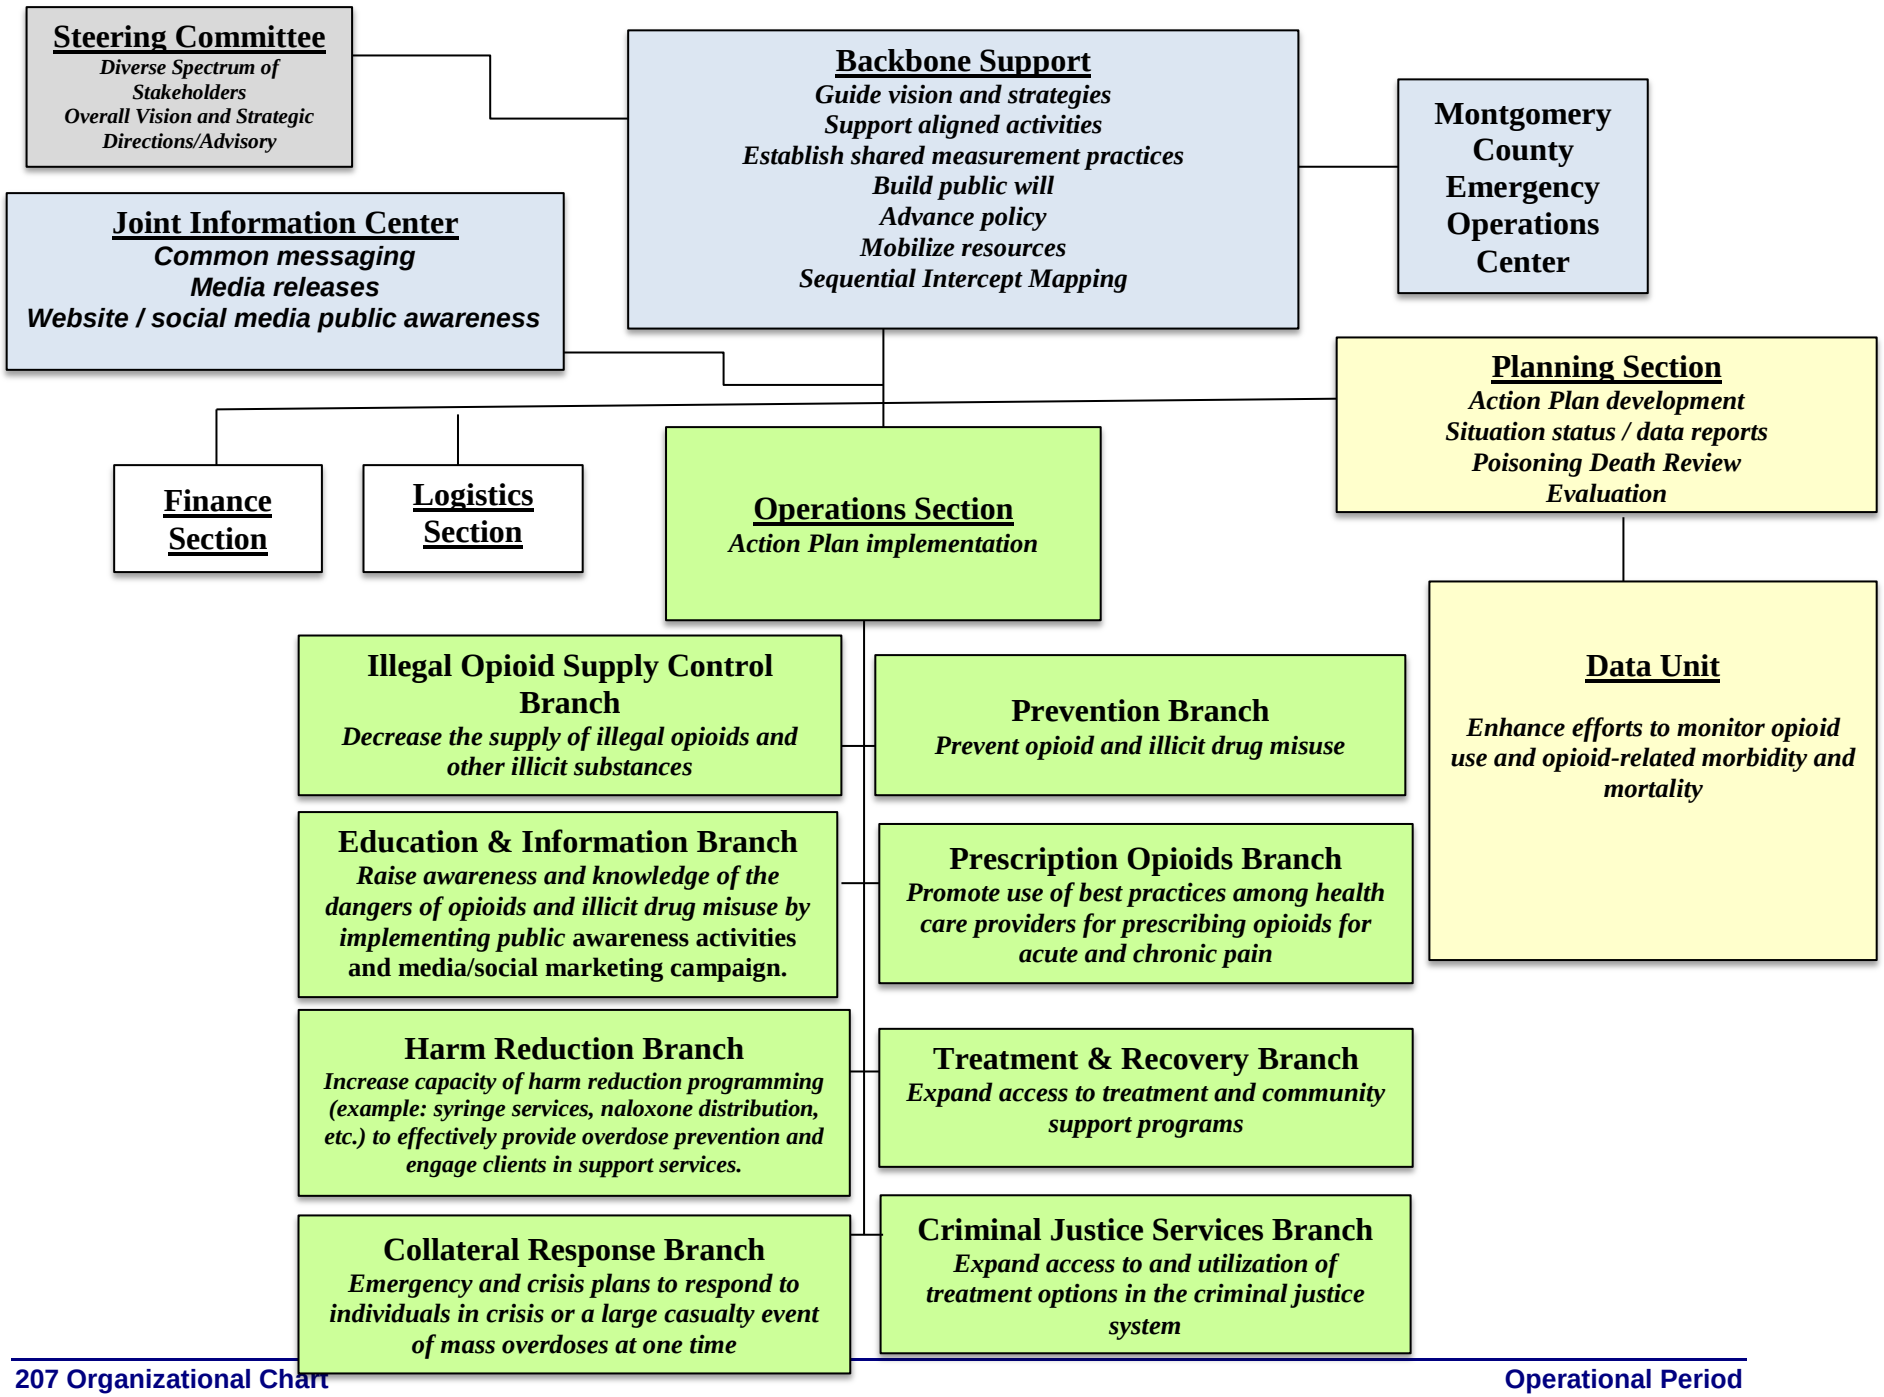
Progress: November 2016 to May 2017 (This will be updated quarterly.)

The most recent update for the quarterly progress report can be found on the June 2017 IAP.

The next updated progress report will come out on the September 2017 IAP.

COMMUNITY OVERDOSE ACTION TEAM





Steering Committee
Diverse Spectrum of Stakeholders
Overall Vision and Strategic Directions/Advisory
Backbone Support
Guide vision and strategies
Support aligned activities
Establish shared measurement practices
Build public will
Advance policy
Mobilize resources
Sequential Intercept Mapping
Montgomery County Emergency Operations Center
Joint Information Center
Common messaging
Media releases
Website / social media public awareness
Planning Section
Action Plan development
Situation status / data reports
Poisoning Death Review
Evaluation
Finance Section
Logistics Section
Operations Section
Action Plan implementation
Data Unit
Enhance efforts to monitor opioid use and opioid-related morbidity and mortality
Illegal Opioid Supply Control Branch
Decrease the supply of illegal opioids and other illicit substances
Prevention Branch
Prevent opioid and illicit drug misuse
Education & Information Branch
Raise awareness and knowledge of the dangers of opioids and illicit drug misuse by implementing public awareness activities and media/social marketing campaign.
Prescription Opioids Branch
Promote use of best practices among health care providers for prescribing opioids for acute and chronic pain
Harm Reduction Branch
Increase capacity of harm reduction programming (example: syringe services, naloxone distribution, etc.) to effectively provide overdose prevention and engage clients in support services.
Treatment & Recovery Branch
Expand access to treatment and community support programs
Collateral Response Branch
Emergency and crisis plans to respond to individuals in crisis or a large casualty event of mass overdoses at one time
Criminal Justice Services Branch
Expand access to and utilization of treatment options in the criminal justice system
